

New Product Announcement

Dear valued Customer,

May 15, 2012

Cellocator is proud to announce the formal release of the following products:

Cellocator Cello Protector

Cellocator Cello Protector is a low cost silicone cover for CelloFamily devices, designed to improve the environment and ingress protection of the device from IP40 to IP66, increasing solid-particle-protection from 1 mm to Dust-Tight (No ingress of dust; complete protection against contact) and liquid-ingress-protection from none to Powerful-water-jets protection.

This dust and water proof solution provides higher flexibility, enabling installation in vehicle cavities other than the passenger compartment or the trunk. The Cello Protector is used in conjunction with Molded-harnesses in order to provide perfect protection.

You are welcome to review the [Cellocator Cello Protector Overview](#) for more information.

CelloTrack XT

CelloTrack XT and CelloTrack Power XT are designed to offer a robust solution for asset tracking in extreme weather environments. The units are equipped with 4.25 AH battery which supports a wider range of operating and charging temperatures and which provides more than 13 months' life cycle of one transmission per day.

You are welcome to review the [CelloTrack XT Release Notes](#) for more information.

Cellocator Glonass Receiver

Cellocator Glonass Receiver for the Compact family is a GLONASS-GPS receiver providing solution especially for Russian and CIS territories where the Russian Global Satellite Navigation System is required.

New Product Announcement

You are welcome to review the appropriate documents (in Russian) in the Cellocator Glonass Receiver section of the site [Home > Support > Product Accessories > Batteries, Harnesses and Antennas](#) for more information.

I hope you find this information useful, and I look forward to seeing you in our support section.

For pricing and delivery information, you are most welcome to contact your appropriate sales manager.

Please note that the above links require access to our [Info Login](#) section on our web site.

Should you have any questions on any of these products, you are more than welcome to contact the product management department or your appropriate sales manager.

Kind Regards,

Natan Degani
