## Keep on Track

Greetings! ,

**PCN No.** 0128

**PCN Type:** EOL Announcement

**Product:** AR202 and AR204 Temperature Sensors

**Date:** June 6, 2016

### **Change Notification Description**

This PCN is to notify customers about the EOL of the **AR0202/AR0204 Temperature Sensors**, which will be replaced by the **AR0259/AR0260 Temperature Sensors**.

### **Change Information**

The AR0259 / AR0260 Temperature Sensors are fully compatible with the replaced sensors, and in addition eliminate the need for the Power Protection Device (FL0012), which is required

for 24v installations of the replaced sensors.

You are welcome to review the [AR0259 & AR0260 Temperature Sensor Product Overview](#) for more information. Please note that the above link requires access to the [Knowledge Base Login](#) section on our website.

## **Sales, Services and Support**

Cellocator has already implemented the change.

For pricing and delivery information, please contact your appropriate sales manager.

Should you have any questions regarding this PCN, you are more than welcome to contact the Product Management department or your appropriate sales manager.

Kind Regards,

Natan Degani
