

Dear Valued Customer,

PCN No. 0122

PCN Type EOL Announcement

Product *Compact CAN and Cellocator Fleet Safety Solution*

Date June 20, 2015

Change Notification Description

This PCN is being issued to notify customers that the Cello-CANiQ replaces the Compact CAN and the Cellocator Fleet Safety Solution.

Change Notification Information

The Cello-CANiQ, a member of the new Cello platform, supports DIRECT connectivity to vehicle data buses supporting ISO-11898, J1939 and/or ISO-15765 via an OBDII connector, in addition to all other interfaces supported by the Cello-IQ. The Cello-CANiQ provides superior capabilities in comparison to the Compact CAN.

You are welcome to review the [Cello-CANiQ web page](#) and the [Cello-CANiQ Product Overview](#) for further information.

The Cello-CANiQ and Mobileye 5-Series system, delivering driver assistance and safety solution, can be integrated via CAN Bus interface.

This solution replaces the Cellocator Fleet Safety Solution, which is based on the Compact CAN and supports only the Mobileye C2 Systems, which is no longer sold.

You are welcome to review the [Cello-CANiQ - Mobileye Integration Package](#) for further information.

Sales, Service and Support

According to Cellocator policy, the End of Service (RMA) Date of the Compact CAN units and the Cellocator Fleet Safety Solution kits will be 3 years from

PCN 0122 – Cello-CANiQ replaces Compact CAN

shipment date, and End of Customer Support Date will be 5 years from shipment date.

Customer Preparations

The CAN Bus integration of the Cello-CANiQ is totally different from the Compact CAN. Customers who use the Compact CAN product should change their application to comply with the Cello-CANiQ. Please contact Customer Support for more details regarding the integration.

For pricing and delivery information, please contact your appropriate sales manager.

Should you have any questions regarding this PCN or the Cello-CANiQ, you are more than welcome to contact the Product Management department or your appropriate sales manager.

Kind Regards,

Natan Degani
