

## Products & Web Updates Announcement

**November 2015**

Greetings! ,

This announcement is being issued to notify you about Cellocator product updates and information recently published in the [Knowledge Base section](#) of the Cellocator website.

### **Cello**

- The [Supported Vehicles Database](#) for the Cello-CANiQ has been updated with additional vehicles.
- The Cello and DFD now support the Turkish and Chinese languages.

---

### **CR300**

FW43c for CR300 supports a new modem FW, as well as number of bug fixes. The [FW43c for CR300 Release Package](#), including CSF files, PLs and Release Notes, can be downloaded from the [FW & PL Released Packages](#) page.

---

### **CelloTrackT**

FW61a for CelloTrack T introduces a number of bug fixes for all 2G and 3G variants. The [FW61a for CelloTrack T Release Package](#), including CSF files, PLs and Release Notes, can be downloaded from the [FW & PL Released Packages](#) page.

---

## Evaluation and Integration

- [Cellocator Integration Package V2.5.4](#) now supports the parsing of Type 11 messages and includes a safety DB section in Correlator. You are welcome to review the updated [Cellocator Integration Package Full Edition Manual](#). The relevant information has been posted in <http://www.cellocator.com/knowledgebase/evaluation-and-integration/>
- Note that the Evaluation Suite Manual, Cellocator Programmer Manual, Protocol documents and Programming Manuals are updated from time to time without special notice.

---

Products and Web Updates Announcements are now sent via the Constant Contact online and email marketing application, providing a modern, well-designed email format for an improved customer experience.

For pricing and delivery information, please contact your Sales Manager.

Please note that the above links require access to the [Knowledge Base section](#) on our website.

Should you have any questions on the new products or changes, please feel free to contact the Product Management department or your Sales Manager.

Kind Regards,

Natan Degani
